the mix of textures and colors I can achieve in handcrafting a bracelet or necklace is like no other art I have experienced. And, the fact that someone can wear and enjoy these beautiful pieces makes it just that much more rewarding."

The festival will include first-class watercolors, oils, glass, pastels, drawings, clay, photography, wood, acrylics, fiber, graphics, metal, paper and mixed media fine arts and crafts, great food, fun and children's activities. Admission is free and it is open to the public.
